April 25, 2020

Dear Soli Deo Gloria Family,

As we navigate the COVID-19 crisis, Soli Deo Gloria is committed to responding responsibly to the challenges posed by this unprecedented pandemic and to protecting the health of our singers, patrons, and audiences.

After careful deliberation, and in the interests of public health and safety:

We have postponed:

Mozart & More - April 3, 2020

We plan to reschedule this concert for September, 2020. If you have already purchased a ticket for this concert your ticket will be honored. We will announce the new date in early summer.

We have cancelled:

An Enchanted Evening of Song - May 15 and May 17

If you purchased a ticket for this concert, your purchase will automatically be converted to a credit for admission to a future concert. If you would prefer to donate the cost of your ticket to support SDG, or if you would like to receive a refund, please contact board member Nancy Holly at 559-285-3993 or nrholly@gmail.com by June 1, 2020.

We are extremely grateful for your support and look forward to when we can share our music with you again!

With gratitude,

Dr. Julie Carter
